ORDER

In the reference 1st read above, the Finance Minister, Government of India had announced a Financial Package of Rs.3,000 Crore for loan waiver to handloom weavers societies in Handloom sector. This package has been prepared by National Bank for Agriculture and Rural Development (NABARD) and the State Governments have been consulted from time to time. The last meeting with the State Governments to discuss the proposed package was held on 31.05.2011. Thereafter, the Government of India have approved the package on 24th November, 2011. Based on these approvals, the Development Commissioner (Handlooms) has circulated the Scheme Guidelines on 28th November, 2011, In order to explain the features of this Scheme and the methodology for its implementation, a National Workshop chaired by the Secretary, Textiles and co-chaired by the Secretary (Financial Services), Government of India was held on 29th November, 2011, in which all the State Governments and Scheduled Commercial Banks participated.

2. The salient features of the Scheme are as follows:-

- (i) The overdues of handloom weavers and their cooperative societies, as on 31.03.2010, will be waived. For this purpose, the funds for waiver of 100% of principal and 25% of interest will be provided by the Central and State Governments to NABARD, which will be the Implementing Agency. The Banks will have to write off the remaining interest and penal interest. Therefore, out of the total financial implication (projected) of Rs.3,884 Crore, the loan waiver component comes to Rs.3,512 Crore, which will be shared between the Central and State Governments in the following ratio:

Sl.No.		General Category States (Centre: States)	Special Category States (Centre: State)
(i)	For State Level apex societies	75 : 25	90 : 10
(ii)	For Primary handloom cooperative societies	80 : 20	90 : 10
(iii)	For Individual weavers/ SHGs etc.	80 : 20	90 : 10

- (ii) Accordingly, the **Projected tentative** share of the State of Andhra Pradesh comes to Rs.112 Crore which has to be provided to NABARD in the current financial year and the next year by the State Government and the above amount is only a tentative estimate and that the Scheme is essentially "entitlement base" and "demand driven", i.e., all the handloom weavers and their cooperative societies which fulfill the eligibility conditions will be entitled to loan waiver. The exact amount of loan waiver in the case of cooperative societies will be known as NABARD goes on completing the exercise of special audit of all these societies between now and 31.03.2012. In the case of waiver of individual weavers' loans, there is no requirement of audit. The individual borrowers can directly approach the bank branch which has to ascertain whether the borrower is a handloom weaver and whether he had taken loan for handloom purposes. If it is so, then the bank branch will approach NABARD for funds for wavier. At present, a written commitment from the State Government that it will be provide the required funds in this year and the next, which will enable NABARD to commence the implementation of the Scheme in the State of Andhra Pradesh.(P.T.O)

- (iii) The State Government also has to sign an MoU, which indicates the commitment of the State Government to carry out legal and institutional reforms in the handloom cooperatives sector.
- (iv) The objective of the Scheme is not merely to waive off the overdues of handloom sector. The Scheme specifically envisages that the payment towards overdues by the Government / NABARD will be made only to such Banks and their branches which explicitly agree to advance fresh loans to the beneficiary weavers and cooperative societies. The Government of India will provide interest subsidy of 3% on all such loans for three years, as well as pay the guarantee fee to Credit Guarantee Trust Fund for Micro & Small Enterprises (CGTMSE) and SIDBI.

3. The Secretary, Ministry of Textiles, Government of India, New Delhi has requested to confirm the willingness of the State Government to carry out legal and institutional reforms in the Handloom Cooperatives Sector, a letter of commitment conveying willingness of the State Government to sign the MoU; commitment for providing State's share towards loan waiver; and to hold 20 to 50 special camps, depending upon the size of the State, in this financial year for canvassing applications from handloom weavers and forwarding them to the Bank branches.
